Rotational Vacancy

ANNOUNCEMENT NO: E20030083-Rotator

OPEN: 07/24/2003

CLOSE: 09/22/2003

POSITION WILL BE FILLED ON A ONE OR TWO YEAR VISITING SCIENTIST APPOINTMENT, INTERGOVERNMENTAL PERSONNEL ACT (IPA) ASSIGNMENT BASIS, OR FEDERAL TEMPORARY APPOINTMENT.

INDIVIDUALS WISHING TO APPLY TO THE PERMANENT POSITION SEE VACANCY ANNOUNCEMENT NUMBER E20030084.

The National Science Foundation is seeking a qualified candidate for the position of Associate Program Director or Program Director in the Physical Oceanography Program within the Division of Ocean Sciences, Directorate for Geosciences, Arlington, VA.

The OCE Division manages and coordinates the Foundation-wide ocean science research activities. OCE supports basic research to further understanding of all aspects of the global oceans and their interactions with the earth and the atmosphere. The Division also offers opportunities to participate in global change research programs and other focus programs. The selected candidate will be assigned to the Physical Oceanography Program within OCE. More information about the Division and its programs can be found on their website at www.geo.nsf.gov/oce.

The ***Physical Oceanography Program*** supports research on a wide range of topics associated with the structure and movement of the ocean, with the way in which it transports various quantities, with the way the ocean's physical structure interacts with the biological and chemical processes within it, and with interactions between the ocean and the atmosphere, solid earth and ice that surround it. **This position may be filled at the level of Associate Program Director or Program Director.**

This position will be filled on a one or two year Visiting Scientist Appointment, under the terms of the Intergovernmental Personnel Act (IPA), or as a Federal Temporary Appointment. Temporary and Visiting Scientist appointments will be made under the Excepted Authority of the NSF Act with a current salary range of \$69,054 - \$127,168, depending on qualifications and experience. For Visiting Scientist appointments, individuals are in a non-pay leave status from the home institution and are appointed to NSF's payroll as a Federal employee. NSF withholds FICA and provides reimbursement for fringe benefits. For Federal temporary appointments of more than one year, the usual civil service benefits (retirement, health and life insurance) are applicable. For IPA assignments, the individual remains an employee on the payroll of the institution and the institution continues to administer pay and benefits. NSF reimburses the institution for NSF's negotiated share of the costs. Individuals eligible for an IPA assignment include employees of State and local government agencies, institutions of higher education, Indian tribal governments, federally funded research and development centers and qualified nonprofit organizations. For more information regarding Visiting Scientist appointments or IPA assignments, visit our website at www.nsf.gov/jobs.

DUTIES AND RESPONSIBILITIES: As Program Director, directs (Associate Program Director, assists) in the implementation, review, funding, post-award management, and evaluation of the program and contributes to the intellectual integration with other programs supported by the

Division. Designs and implements the proposal review and evaluation process for relevant proposals. Selects well qualified individuals to provide objective reviews on proposals either as individuals or as members of a panel. Conducts final review of proposals and evaluations, and recommends acceptance or declination. Manages and monitors on-going grants, contracts, interagency and cooperative agreements to ensure fulfillment of commitments to NSF. Evaluates progress of awards through review and evaluation of reports and publications submitted by awardees and/or meetings at NSF and during site visits. Contributes to the responsibility for establishing goals and objectives, initiating new program thrusts and phasing out old projects. Recommends new or revised policies and plans in scientific, fiscal, and administrative matters to improve the activities and management of the Program.

QUALIFICATIONS REQUIRED: For the **Program Director** level, applicants must possess a Ph.D. or equivalent experience in physical oceanography, geophysical fluid dynamics, or related disciplinary fields. In addition, six or more years of successful research, research administration, and/or managerial experience pertinent to the program are required. For the **Associate Program Director** level, applicant must possess a Ph.D. or equivalent experience in physical oceanography, geophysical fluid dynamics, or related disciplinary fields. In addition, four or more years of successful research, research administration, and/or managerial experience pertinent to the program are required. In addition, a broad understanding of the current status of the relevant U.S. academic scientific community and its inter-relationship with NSF, other federal agencies, and international planning efforts is desirable for both grade levels.

HOW TO APPLY: Applications may be transmitted electronically to rotator@nsf.gov. Individuals may also submit a resume or any application of your choice to the National Science Foundation, Division of Human Resource Management, 4201 Wilson Blvd., Arlington, VA 22230, Attn: E20030083-Rotator. In addition, you are encouraged to submit a narrative statement that addresses your background and/or experience related to the Program of your interest. You are asked to complete and submit the attached Applicant Survey form.
